“ Hi mom, what can I say I'm still in shock! I keep waiting for this bad dream to end but it won't go away. I used to talk to you every day. Every day you called and I heard your voice. Now all is silent. And of course I deleted your last message to me figuring there would be more. There are no more. I cant get that back. I try to stay tough on the outside but inside it hurts. I miss you so much. Goodbye mom. I hope someday we can meet again. You will always be in my heart. that will never go away.
