“ This is how beautiful she is. These were some of the messages she would send me on a regular. She always uplifted me but didn't share or tell me what she was fighting for in her life until much later. She was so unselfish and fought for me to believe my worth more than I did
I won't let her down. These are just a few.

“ I first met Sherry about two years ago. It was at a time I was going through a lot in my life. I had already known Jess and Beckie as I had worked with both of them previously. Well Sherry didn't disappoint me from what I was expecting knowing the other two sisters. She was funny and very sarcastic at first. Then as I got to know Sherry more and more. We had talks on life that I will forever hold close to me. Though I did not know her long. I always had hope that she would be healthy and we would pick up right where we left off. I will forever miss the opportunities that will never be had while cherishing the ones that were made. ❤️ Rip Sherry until we meet again!

“ Was an amazing human being. Always had the best attitude and cracking jokes never a dull moment. Always getting everyone to smile and take a vitamin. Will be missed but I know she'll always be protecting over us and messing with us. Wish she was here to meet my future kid and be apart of his memories.

“ Sherry was such a Beautiful woman, friend, one I like to call my daughter. We had some great times talking and laughing on my porch when she was a teenager and more great times on the back porch during her illness. She had a great sense of humor, loved being around all her family and children. I always admired her for fighting the battle with jokes, laughs, and the determination she had. Sherry, Rest In Peace! You will always be my hero, and in my heart forever. Sending Love and Hugs!
